Order of the Arrow
Immokalee Lodge #353
2011 Membership Renewal Form
(if you have not already renewed)

Brothers,

Thank you for your continued interest in being a registered member of the Order of the Arrow, Scouting's National Honor Society. It's time for membership renewal! If you have not paid your 2011 dues, please pay careful attention. Your membership dues support year-round Lodge operations, programs, service to communities, and youth scholarships. Just like a pack, troop, or crew, we all must annually renew our membership in order to support the program and stay active. In order to participate in OA events, you must be a currently registered member in good standing (membership dues paid). Please take a few moments to make this happen today if you have not already. Thank You!
